**RE: Feldkamp Enterprises, Inc.**

To Whom It May Concern,

EAP has been a supplier/business partner with Feldkamp for over 40 years. I have been working with Feldkamp for 7 years now since my employment at EAP. Feldkamp is one of the premier contractors in Cincinnati and their reputation is well deserved. The quality of employees from top to bottom is first class. They are honest, fair and a pleasure to work with.

Their attention to detail and workmanship on construction projects is the best that I deal with. Also, they are one of the best paying customers we have and always on time. I would highly recommend Feldkamp for any construction project you are considering. I have done all types of construction projects with them and they are more than capable of handling the job. When people call in to buy our products and need someone to install I call Feldkamp every time.

Feel free to call me at 513-405-1293 with any questions.

Thanks,
